Anand, Gujarat, India | +91 8401599740 | nikulprajapati0411@gmail.com | GitHub: github.com/Nikul4

Computer Engineering student passionate about Java Development, Cyber Security, and Software Engineering. Skilled in problem solving, secure application development, and efficient technology solutions. Eager to learn new technologies and contribute to real-world projects.

ACADEMIC

- **B.E. in Computer Engineering** — MBIT (2023 – Present)
- **HSC (12th)** — Gujarat State Board — **63%**
- **SSC (10th)** — Gujarat State Board — **65%**

PROJECTS

Emergency Medical Information and Contact System

- Developed a system to manage emergency medical details and important contact information.
- Focused on organized record management and quick accessibility during emergencies.
- Worked with database integration and secure data handling concepts.

SKILLS

- **Programming:** Java
- **Database:** MySQL
- **Cyber Security:** Network Security, SQL Injection Basics, Authentication, Encryption Concepts
- **Tools:** GitHub, VS Code, XAMPP
- **Soft Skills:** Communication, Leadership, Teamwork, Problem Solving, Quick Learning

SPECIALIZATION

Java Development

- Strong understanding of OOP concepts and Java fundamentals.
- Knowledge of exception handling, collections, and JDBC basics.

Cyber Security

- Understanding of common cyber attacks and prevention methods.
- Familiar with ethical hacking basics and secure coding practices.

LEARNING & ACTIVITIES

- Participating in technical learning and project-building activities.
- Exploring modern software development and cyber security technologies.
- Continuously improving programming and problem-solving skills.
